We encourage you to keep a copy of your comments for reference. If submitting via email, add your email to the cc or bcc line to receive a copy in your email of what you submitted to BLM. If you'd like *Islanders for the San Juan Islands National Monument* to archive a copy, which we could use in case there is any future uncertainty about what input BLM has received, cc or bcc us at *comment@SanJuanIslandsNM.org*. We will not share your contact information for other purposes.

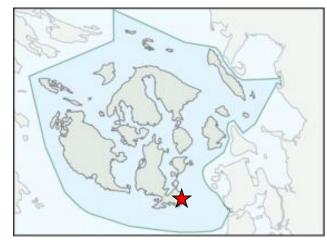

This is just one aspect of the San Juan Islands National Monument where your input is needed. There are comment forms for 16 geographic locations plus forms for habitat and plants, cultural resources, and general comments to help guide the management of the monument for the next 15-20 years. For a full set of comment forms, tips on providing input, and more information about this process, visit *Islanders for the San Juan Islands National Monument* at *www.SanJuanIslandsNM.org*. We are an independent group of local citizens who care deeply for the monument lands and are not employed by the BLM.

(See section beginning on page 572 in Appendix H: Draft Travel and Transportation Plan for trails network at this location)

Please provide the rationale for your check marks above including any information on cultural or ecological values you think we should consider, below (Attach additional sheets and forms as necessary):

¹ If an area is open to recreational access, the BLM would allow bicycle and horseback riding use on roads it administers, e.g., if Watmough Bay is open to recreational access, bicycles and horses would be allowed on the BLM-administered segment of the road accessing the parking area.
